HOPPS RETROCOMMISSIONING PROGRAM

APPLICATION & INFORMATION RELEASE

The San Diego Retrocommissioning Program (Program) helps commercial customers improve the efficiency of their building operations by offering incentives and technical assistance for retrocommissioning services. The Program is funded by California utility customers and administered by San Diego Gas & Electric Company (SDG&E®) under the auspices of the California Public Utilities Commission, through a contract awarded to CLEARResult.

To apply for the San Diego Retrocommissioning (RCx) Program, please complete, sign, and return this document to SanDiegoRCx@CLEARResult.com. For more information, please call us at 866.961.6144.
